

BRIGHTLAND PUBLIC SCHOOL AMROHA

Senior Secondary School | Established 2010

ANNUAL ACADEMIC CALENDAR

SESSION 2026–2027

School Code	CBSE Affiliation Number	Academic Session
81890	2132659	2026–27

Academic Vision: To provide a safe, inclusive, technology-enabled and competency-based learning environment that develops knowledge, character, creativity, communication, critical thinking, physical well-being and responsible citizenship.

Applicable to: Nursery to Class XII | Science, Commerce & Humanities | Academic, Co-scholastic and Student Development Programmes

Note: Dates may be modified in accordance with CBSE directions, Government/District Magistrate orders, examination datesheets and unavoidable school requirements.

1. ACADEMIC FRAMEWORK & ANNUAL PRIORITIES

Area	Annual Academic Priority
Curriculum	CBSE/NCERT-aligned curriculum with competency-based, experiential and activity-oriented pedagogy.
Academic Planning	Annual plan → monthly targets → weekly lesson planning → periodic review → remedial/enrichment action.
Assessment	Regular formative assessment, periodic tests, subject enrichment, projects/practical work, half-yearly and annual examination.
Board Classes	Structured preparation, competency-based questions, Pre-Board I & II, practical/project completion and focused revision for Classes X & XII.
Student Support	Remedial teaching, enrichment, counselling, career guidance, attendance monitoring and individual progress tracking.
Technology	Smart-class/video-based learning, digital resources, ICT-supported assignments and responsible technology use.
Holistic Development	Sports, arts, clubs, literary activities, life skills, health & wellness, environmental awareness and leadership.
Teacher Development	In-house training, peer learning, lesson observation, assessment moderation and CBSE/recognized training programmes.

2. SCHOOL TIMINGS & SESSION STRUCTURE

Component	Schedule
Academic Session	April 2026 – March 2027
Regular School Timing (Classes I–XII)	Reporting 7:30 AM Departure 1:10 PM
Kindergarten (Nursery–UKG)	Reporting 8:30 AM Departure 12:30 PM
Summer Break	From 23 May 2026; reopening on 12 July 2026 (as per school schedule).
Holiday Homework	Integrated with revision, reading, creative/project work and subject enrichment; evaluated as applicable.
Attendance	Minimum 80% attendance to be maintained for examination eligibility, subject to CBSE rules and approved condonation provisions.

APRIL 2026

Focus	Planned Activities
1	Session commencement and academic orientation.
2	Baseline/diagnostic assessment and identification of learning gaps.
3	Distribution of syllabus, planners, notebooks and student guidelines.
4	House/club orientation; classroom rules, student leadership and attendance awareness.
5	Parent orientation for academic expectations and communication channels.

MAY 2026

Focus	Planned Activities
1	Regular syllabus transaction and competency-based classroom activities.
2	Periodic/Unit Test–I preparation and assessment as per subject plan.
3	Reading programme, creative writing, subject enrichment and project initiation.
4	Mother's Day / health & hygiene / environmental awareness activities.
5	Holiday homework briefing and summer learning plan before vacation.

JUNE 2026

Focus	Planned Activities
1	Summer vacation / no regular classroom teaching.
2	Holiday homework, reading, project work, art, fitness and family-based learning.
3	Teachers: resource preparation, assessment review, academic planning and question-bank development as scheduled.

JULY 2026

Focus	Planned Activities
1	School reopening and academic re-orientation.
2	Review of holiday homework and learning gaps; remedial support.
3	Plantation/Van Mahotsav and environment-linked learning.
4	Smart-class/video-based learning schedule implemented.
5	Subject-wise syllabus tracking and notebook/portfolio review.

AUGUST 2026

Focus	Planned Activities
1	Periodic/Unit Test–II and competency-based assessment.
2	Independence Day activities, patriotic/literary programmes and House activities.
3	Science, Mathematics, Social Science and language enrichment activities.
4	Career awareness/counselling and wellness sessions.
5	Parent communication and attendance review.

SEPTEMBER 2026

Focus	Planned Activities
1	Half-Yearly Examination preparation and conduct.
2	Post-examination performance analysis and remedial/enrichment groups.
3	Teachers' Day and Hindi Diwas activities.
4	PTM to discuss Half-Yearly performance and improvement plans.
5	Revision of learning outcomes for the second term.

OCTOBER 2026

Focus	Planned Activities
1	Post-half-yearly syllabus continuation and targeted remediation.
2	Experiential learning, projects, laboratory work and field/activity-based learning.
3	Gandhi Jayanti / national values and community responsibility activities.
4	Inter-House literary, art, science and sports activities.

NOVEMBER 2026

Focus	Planned Activities
1	Periodic/Unit Test–III / assessment as per academic plan.
2	PRE-BOARD EXAMINATION – I for Classes X & XII: Last Week of November 2026.
3	Children's Day celebrations and student leadership activities.
4	Constitution Day: awareness of constitutional values and duties.
5	Post-Pre-Board-I performance analysis; remedial teaching and board-focused improvement plan.

DECEMBER 2026

Focus	Planned Activities
1	Major syllabus completion target for non-board classes.
2	Classes X & XII: focused revision, competency-based practice and Pre-Board-II preparation.
3	Practical files, projects, internal assessment records and portfolio completion.
4	Winter/Christmas activities and community/value education.
5	Second-term PTM/academic progress communication as scheduled.

JANUARY 2027

Focus	Planned Activities
1	PRE-BOARD EXAMINATION – II for Classes X & XII: Starting Week of January 2027.
2	Republic Day celebration and civic responsibility activities.
3	Detailed Pre-Board-II result analysis and final board-oriented remediation.
4	Board-class examination readiness, practical/project completion and documentation.
5	Career counselling, study-skills and examination-stress management.

FEBRUARY 2027

Focus	Planned Activities
1	Annual Examination for applicable classes, as per school schedule.
2	CBSE Board Examinations for Classes X & XII: as per official CBSE datesheet.
3	Practical/internal assessment completion wherever applicable.
4	Result analysis, remedial planning and academic transition planning.

MARCH 2027

Focus	Planned Activities
1	Completion of Annual Examinations and evaluation.
2	Result compilation, promotion/academic review and PTM.
3	Student portfolios, certificates and achievement records.
4	Academic audit: syllabus coverage, outcomes, attendance and assessment review.
5	Planning and orientation for Academic Session 2027–28.

3. ASSESSMENT & EXAMINATION CALENDAR

Assessment	Tentative Period	Classes	Academic Purpose
Periodic/Unit Test–I (UT/PA–I)	April–May 2026	As per class plan	Baseline + early-term learning check
Periodic/Unit Test–II (UT/PA–II)	August 2026	VI–XII	Competency-based progress assessment
Half-Yearly Examination	September 2026	All applicable classes	Term-end achievement + analysis
Periodic/Unit Test–III (UT/PA–III)	November 2026	As per class plan	Syllabus progress + remediation
Pre-Board Examination–I	Last week of November 2026	X & XII	First comprehensive board-readiness assessment
Periodic/Unit Test–IV (UT/PA–IV)	January 2027	As per class plan	Final readiness/revision assessment
Pre-Board Examination–II	Starting week of January 2027	X & XII	Final comprehensive board-readiness assessment
Annual Examination	February–March 2027	Applicable classes	Year-end achievement and promotion
Classes X & XII Board Examination	As per CBSE datesheet	X & XII	CBSE public examination

Assessment principles

- Use competency-based questions, application, analysis and higher-order thinking wherever appropriate.
- Maintain subject-wise assessment records and evidence for internal assessment components.
- Conduct post-assessment analysis and document remedial/enrichment action.
- Keep practical/project/portfolio records updated for applicable subjects.
- Maintain confidentiality, fairness, moderation and secure custody of question papers and records.

4. CO-SCHOLASTIC, WELLNESS & STUDENT DEVELOPMENT PLAN

Month/Period	Core Activities
Monthly	House activities; clubs; library/reading; smart-class learning; value education; cleanliness and safety awareness.
Quarterly	Health & wellness session; career guidance; student leadership; academic counselling; parent communication.
Term-wise	Sports/fitness activities; art & craft; music; literary activities; science/math exhibitions; quizzes and debates.
Environment	Plantation, waste segregation, water conservation, energy conservation and local environmental projects.
Digital Citizenship	Cyber safety, responsible AI/digital tool use, online etiquette, privacy and misinformation awareness.
Health & Safety	Annual health check-up planning, hygiene, first aid, fire/safety awareness and emergency preparedness.
Life Skills	Communication, teamwork, decision-making, financial literacy, emotional regulation, study skills and examination readiness.

5. PARENT–SCHOOL ENGAGEMENT

Interaction	Tentative Timing	Purpose
Orientation/Academic Briefing	April 2026	Expectations, attendance, assessment and communication protocol.
PTM – Periodic Assessment	After PA/UT–I	Academic progress and early intervention.
PTM – Half-Yearly	September/October 2026	Detailed performance review and improvement plan.
PTM – Second Term	December 2026 / January 2027	Syllabus, attendance, board readiness and support.
PTM – Annual Result	March 2027	Result, promotion, transition and next-session guidance.

6. TEACHER DEVELOPMENT & ACADEMIC QUALITY ASSURANCE

- Annual academic orientation and school-level planning before/at commencement of session.
- In-house teacher training and additional professional development as per CBSE/recognized training opportunities.
- Subject-wise lesson planning, learning-outcome mapping and syllabus tracking.
- Peer observation, collaborative planning and sharing of best classroom practices.
- Periodic review of student workbooks, portfolios, projects and assessment records.
- Post-assessment data analysis with documented remedial and enrichment strategies.
- Board-class mentoring, Pre-Board I & II analysis, practical/project monitoring and examination readiness reviews.
- End-of-session academic audit and action plan for the next session.

7. BOARD / CBSE COMPLIANCE CHECKPOINTS

Checkpoint	School Action
Curriculum	Follow the prescribed CBSE/NCERT curriculum and applicable 2026–27 curriculum changes.
Examination	Follow CBSE examination bye-laws, circulars, LOC/registration requirements, practical/internal assessment instructions and official datesheets.
Student Records	Maintain accurate admission, attendance, assessment, internal-assessment and examination records.
Teacher Training	Maintain records of in-house and external professional development.
Health & Wellness	Maintain annual health check-up and student wellness/counselling records.
Safety	Review fire, disaster, child-safety, hygiene, transport and emergency procedures periodically.
Communication	Keep parents/students informed of major academic requirements and curriculum changes.

8. IMPORTANT NOTE ON DATES

This calendar is an institutional academic planning document. Official CBSE Board Examination dates, practical examination instructions, Government of Uttar Pradesh/District Magistrate holidays and other regulatory directions shall prevail wherever they differ from tentative school dates. The Principal may revise individual activities, assessments or holidays in the academic interest of students.
